

2021 Greenland ANG Shipping Requirements

Due to heightened security and military shipping requirements, it is imperative that all cargo transiting to Greenland by Air National Guard (ANG) meet the requirements and delivery timelines outlined below. All ANG cargo requires customs and military review/approvals.

***** Cargo will NOT be accepted on the day of an ANG flight*****

CUSTOMS

All cargo shipped to Stratton (Scotia) Air Base for delivery to Greenland must be **registered** (examined and certified) with U.S. Customs & Border Patrol (CBP) before leaving the country.

Registration options are:

1) Self-registration

- Completed by the researcher / representative at home institution prior to shipping to Battelle ARO (B-ARO).
- Shipper must provide 3ea originals (no copies) CBP signed, dated, and stamped CBP-4455 forms to B-ARO NY Office. See shipping address below.

2) B-ARO registration

- B-ARO arranges for CBP to register the shipment once cargo onsite at Scotia, NY.
- Shipper must provide 3ea CBP-4455 to B-ARO NY Office.
- Cargo must be received **3 weeks** prior to the scheduled ANG departure flight.

See “2021 ANG Customs Instructions” for more detailed instructions.

HAZARDOUS CARGO

- 1) All hazardous cargo shipped via the ANG to Greenland **MUST** be registered by B-ARO.
- 2) B-ARO cargo representatives must be provided with advance notice of haz cargo arrival on base.
- 3) Cargo must arrive at least **3 weeks** prior to requested ANG flight date.
