Please send this completed form to the Battelle ARO HSE Lead via email at [Greg@polarfield.com](mailto:Greg@polarfield.com) at **least 6 weeks before departure date.**

## Greenland Vaccination Waiver Request Instructions

2024

An individual seeking to travel with any project managed by NSF's Arctic Research Support & Logistics (RSL) program may be eligible for a COVID-19 vaccination waiver. NSF waiver eligibility is dependent upon medical determination and if a healthcare professional determines that an individual is unable to receive vaccinations for medical reasons.

Each request is reviewed on a case-by-case basis and the final determination will be made after all required documentation is submitted.

### Step-by-Step Checklist

**Step 1** – Submit vaccination waiver request form to the Battelle ARO HSE Team *at least 6 weeks before* departure date via email at [Greg@polarfield.com](mailto:Greg@polarfield.com)

**Step 2** – If instructed, gather the necessary documentation for NSF/Battelle ARO review.

**Step 3** – Send requested documentation to Battelle ARO HSE Lead at least 6 weeks before departure via email at [Greg@polarfield.com](mailto:Greg@polarfield.com)

**Step 4** – Review NSF/Battelle ARO Response
